

THE PHARAOH'S CURSE

Welcome to a world of mystery, traps, and ancient curses! In Pharaoh's Curse, you take on the role of a daring adventurer who ventures deep into a forgotten Egyptian pyramid. Awaiting you is a labyrinth of dark corridors, treacherous traps, and cunning enemies. Every step could be your last, and every mistake — fatal.

Your mission is to find thirteen ancient treasures scattered throughout the various chambers of the pyramid. To collect them all, you'll need to locate the right keys, avoid deadly foes, defeat mummies and the Cursed Guardian, and escape the wrath of the Pharaoh's Spirit — who will stop at nothing to eliminate the intruder.

Pharaoh's Curse is an action-adventure game that combines fast-paced gameplay with elements of exploration and strategy. The graphics — impressive for the capabilities of the Atari XL/XE — immerse you in the atmosphere of antiquity from the very first moment.

Can you outsmart the ancient mechanisms and escape the cursed pyramid alive? Or will you become the next victim of the Pharaoh's Curse? Legends don't die. They wait.
