

L.K.AVALON

"Mission" is a classic action game that will test your courage, wit, and quick reflexes. Ready for the challenge?

gather resources, evade enemy patrols, and survive long enough to reach the evacuation point, where a helicopter awaits. Time is running out - can you complete your mission and escape in time?

Step into the shoes of an elite commando on the most important mission of your life! Your task is to infiltrate an underground enemy base, collect critical containers of uranium-233, and destroy the operations center in a spectacular explosion. But beware - the base is a labyrinth full of traps and dangerous adversaries!
